

PUBLIC NOTICE OF PROPOSED PERMIT DECISION

SOUTH CAROLINA DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL

The South Carolina Department of Health and Environmental Control (Department) invites your participation in a proposed permit decision. The Department is proposing a modification to the permit for regulation of hazardous waste activities for the Shaw Air Force Base (Base) located at 428 Chapin Street, Shaw AFB, South Carolina, having the facility identification number SC7 570 024 466. As part of this proposal, the Department has prepared a draft permit modification under the South Carolina Hazardous Waste Management Regulations and the Resource Conservation and Recovery Act (RCRA), as amended by the Hazardous and Solid Waste Amendments (HSWA).

This draft permit modification, prepared in accordance with the South Carolina Hazardous Waste Management Regulations recommends the following:

- A revision to the groundwater remedial alternative for Area of Concern (AOC) F and AOC H to include
 - additional extraction wells as part of the groundwater treatment system
 - hot spot treatment for AOC H
 - the requirement for five year reviews

Copies of the modified portion of the permit and other data submitted by the Base are available for review during regular business hours, 8:30 a.m. to 5:00 p.m., Monday through Friday, except legal holidays at the following locations:
